The following is an examiner's statement of reasons for allowance: the prior art fails to show an annular piston where the inner diameter is the same diameter as a seat for a valve formed by the piston.

Inasmuch as all independent claims are allowed, the election requirement is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
